Hey, you get smart, don't break your heart  
Over one romance  
And the cloud will disappear  
And you'll see sunshine

You're so very young, go have your fun  
There's so much to do  
Why don't you come with me  
We'll have a good time

Oh no, don't cry on a weekend  
It ain't right to stay on your own and weep  
Girl no, don't cry on a weekend  
Don't spend the night just crying yourself to sleep  
Little girl

Hey, don't you make just one mistake  
Go and spoil your life  
Many guys I'm sure would like  
To share your loving

Though you may cry, you'll get by  
Just you wait and see, baby  
Think of all the fun  
We could be having

Oh no, don't cry on a weekend  
It ain't right to stay on your own and weep  
Girl no, don't cry on a weekend  
Don't spend the night just crying yourself to sleep  
Little girl

So dry your pretty chin  
Go wipe those tears away  
Don't let just one romance  
Leave you in misery

Oh no, don't cry on a weekend  
It ain't right to stay on your own and weep  
Girl no, don't cry on a weekend  
Don't spend the night just crying yourself to sleep

Oh no, don't cry on a weekend  
It ain't right to stay on your own and weep  
Oh no, don't cry on a weekend  
Don't spend the night just crying yourself to sleep
