Your momma says
that through the week
you can't go out with me
but when the weekend comes around
she knows where we will be

kissin' in the backrow
of the movies on a saturday night with you
holding hands together you and I
holding hands together oh yeah

smooching in the backrow
of the movies on a saturday night with you
we could stay forever you and I
we could stay forever you and I

hugging and a kissin in the backrow of the movies

Every night I pick you up from school
'cause your my steady date
But from monday through to friday night
I leave you at the gate yeah

You know we can't have to much fun
Till all your homeworks done
But when the weekend comes
She knows where we will be

kissin' in the backrow
of the movies on a saturday night with you
holding hands together you and I
holding hands together oh yeah

smooching in the backrow
of the movies on a saturday night with you
we could stay forever you and I
we could stay forever you and I

ah ah hugging and a kissin in the backrow
of the movies

Sit alone at night and watch TV
But I still think of you

And now and then the gang drops by
We share a joke or two yeah

You know they don't knock on my door
After friday night for sure
cause when the weekend comes
they know just where I'll be
yeah

kissin' in the backrow
of the movies on a saturday night with you
holding hands together you and I
holding hands together oh yeah

smooching in the backrow
of the movies on a saturday night with you
we could stay forever you and I
we could stay forever you and I

ah ah hugging and a kissin in the backrow of the
movies

yeah hugging and a kissin in the backrow of the movies
