(Wonderful, wonderful, wonderful)

All you have to do is touch my hand  
To show that you understand  
And something happens to me that's some kind of  
wonderful

Ev'ry time my little world seems blue  
I-I just have to look at you  
And everything seems to be some kind of wonderful

I know I can't express this feeling of tenderness  
There is so much I wanna say but the right words won't  
come my way

I just know when I'm in your embrace  
This world is a happy place  
And everything seems to be some kind of wonderful

I know I can't express this feeling of tenderness  
There is so much I wanna say but the right words won't  
come my way

I just know when I'm in your embrace  
Lord!, this world is a happy place  
And everything seems to be some kind of wonderful

Some kind of a soft love  
Some kind of a warm love  
Some kind of wonderful  
Some kind of wonderful, yes, it is, I-I-I know

FADE  
Say I know
