Spoken: Hey Mike whats up?

This is a song for you, because I love you...

Lets go fuck the shit

Outta Eachother

I really wanna go down on you!

We have been throught so much together!

I really wanna

Fuck the Shit outta you!

Chorus:

Fuck, Fuck,Fuck

Lets go fuck

Until we have had way to much

Fuck,Fuck, Fuck, lets go fuck

Until we have had enough to last us forever....

Your 'rents aren't home

Thats a good sign

Did you remeber to bring protection?

Well, it don't really matter

I wanna have a baby with you

Because, we'll always be together

FOREVER

Chorus:

So what If my brother hates you

So what if my dad don't like you

Who cares if my mom is weary

I LOVE YOU ANYWAY!!!!!!!!!!!!!!!!!!!!!!

HEY HEY HEY HEY

Chorus (repeat until fade)
