I just called to say hello  
I've been calling all night long  
Wondering where you have been

Chorus:

Hi hi hi hi hi hi hi hi  
Bye bye bye bye bye

Because I saw you last night  
With another girl  
And i was crying all night long  
But i shouldn't waste my time over you  
Like my mom always said to me  
"Don't cry over spilled milk"

Well, you're the milk  
Cuz you are rotten

Chorus:

I would love to see your face  
When you see me with some other guy  
Like the one i was sleeping with last night!

Chorus (repeat 2x)
