I wanted to be like a window
That you look inside
Cause I can paint you the world like you want it
Just give me time
And all we've been working on
Means more to me than life
So give it a moment now, it will work itself out
Meanwhile, I'll be your confession
Your secrets are safe with me
I wanted to be like a rainbow
Up in the sky
Cause I can show you the way to my treasure
Just give me time
And all we've been fighting for will find its rest in me
I'll give you my answer when you can finally answer
me
Meanwhile I'll be your confession
Your secrets are safe with me
Cause when rain falls like rivers
Just close your eyes
It's the long-winded winters that take your life
But when life is defeated, just give it time
But when love leaves you bleeding, leave love behind
And runnnnnn
I wanted to be like the ocean
With it's flowing tides
Cause I can take you away for hours
In a luhh-llaby
And sit to the setting sun just to see it rise again
With soft spoken words were lost
And the tide of the sweet begins
Meanwhile, I'll be your confession
Your secrets are safe with me.

Cause when rain falls like rivers
Just close your eyes
It's the long-winded winters that take your life
But when life is defeated- just give it time
But when love leaves you bleeding, leave love behind
And ru-uuunn, ooh ooo
You can ruuunnnn

If its love you've been lookin' for
Then baby come to me
Meanwhile I'll be your confession
Your secrets are safe with me
