One, two aah yeah, aah yeah
Aah yeah

Once upon a, once in a while
It's hard to remember to smile
Just like all of your toys

Can't you see I don't wanna play
I don't need it
Can't you say you want me to stay
I'd believe it, just like all of your toys

When all of your play things
Someday disappear
Girl, will you be happy
With nothing but tears?
With nothing but tears?

Once upon a, once in a while
It's hard to remember to smile
Just like all of your toys

Don't you ever feel kind of sad?
'Cause you're lonely
Think about the love that we had
Are you lonely? Just like all of your toys

When all of your play things
Someday disappear
Girl, will you be happy
With nothing but tears?
With nothing but tears?

Just like all of your toys, I don't wanna be
(Just like all of your toys)
Just like all of your toys, I don't need to be
(Like all of your toys)
Just like all of your, just like all of your toys
(Like all of your toys)

(Just like all of your toys)
I should have known I'd be alone

(Like all of your toys)
No, no, no I don't need it

(Just like all of your toys)
Oh, don't you have me believe it
(Like all of your toys)
Just like all of your toys

(Just like all of your toys)
I still believe it
