Now, all the king's horses and all the king's men,
They couldn't put my broken heart back together again.
I woke up this morning,
And this is what I found,
You had gone and left me,
And you never even made a farewell sound.
Now, all the king's horses and all the king's men,
They couldn't put my broken heart back together again.
I asked your friends about you,
And this is what they said,
"She can live without you,
She's going to find a man with money instead."
Now, all the king's horses and all the king's men,
They couldn't put my broken heart back together again.
Someday you will know,
The meaning of a love that's true,
But, when you find out,
I won't be around to share with you.
Now, all the king's horses and all the king's men,
(Yeah, yeah-yeah)

They couldn't put my broken heart back together again,
(No, no-no)

Now, all the king's horses and all the king's men,
(Yeah, yeah-yeah)
They couldn't put my broken heart back together again,
SONG: Valleri

by Tommy Boyce & Bobby Hart

Valleri,
I love my Valleri.
There's a girl I know,
Who makes me feel so good,
And I wouldn't live without her,
Even if I could.
I call her Valleri,
I love my Valleri.
Oh, yeah!
Come on!
Yeah!
Wow!
She's the same little girl who used to

Hang around my door,
But she sure looks different than
The way she looked before.
I need her, Valleri,
I want my Valleri.
SOLO
Valleri,
I want my Valleri.
SOLO
Valleri,
I want my Valleri.
