She's a wonderful lady and she's mine all mine
And there doesn't seem a way
That she won't come and lose my mind
It's too easy humming songs to a girl in yellow dress
It's been a long time since the party
And the room is in a mess

The four kings of E.M.I. are sitting stately on the floor
There are birds out on the sidewalk and a valet at the door
He reminds me of a penguin with few and plastered hair
There's talcum powder on the ladder and the birthday boy is there

Why don't you cut your hair? Why don't you live up there?
Why don't you do what I do, see what I feel when I care?

Now they've darkened all the windows
And the seats are naugh-a-hyde
I've been waiting for an hour, I can't find a place to hide
The being known as Wonder Girl is speaking, I believe
It's not easy tryin' to tell her that I shortly have to leave

Why don't you be like me? Why don't you stop and see?
Why don't you hate who I hate, kill who I kill to be free

Doo-be-deedle-doopn-dee doo-be-doo-be-doo-be-dee
....

Why don't you cut your hair? Why don't you live up there?
Why don't you do what I do, see what I feel when I care?
Why don't you be like me? Why don't you stop and see?
She's a wonderful lady and she's mine all mine
Why don't you hate who I hate, kill who I kill to be free
And there doesn't seem a way
That she won't come and lose my mind

Why don't you cut your hair? Why don't you live up
there?
It's too easy humming songs to a girl in yellow dress
Why don't you do what I do, see what I feel when I
care?
It's been a long time since the party and the room is in
a mess
