Bye bye, baby, bye bye
Don't want to make you cry
Bye bye, baby, bye bye
Don't want to make you cry

I'll be leavin' you now
You'll get along somehow

Time, time, time is gone when you and I were strong
Time, time, time is gone when you and I were strong
Isn't easy to leave, isn't easy to leave

You spend your life thinkin' about livin'
You spend your whole life
Bye bye baby, bye bye
Don't want to make you cry

Time, time, time is gone when you and I were strong
Time, time, time is gone when you and I were strong
Isn't easy to leave, isn't easy to leave

You spend your time sitting there thinking
Thinking about sitting there thinking
You waste my time talkin' about dyin'
Dyin' when you should be tryin'

Bye bye, baby, bye bye
Don't want to make you cry
Bye bye, baby, bye bye
Don't want to make you cry

I'll be leavin' you now
You'll get along somehow

Time, time, time is mine to make my fortune mine
Time, time, time is mine to make my fortune mine
Can't say I can see, what'll happen to me
Can't say I can see, what'll happen to me

Bye bye, baby, bye bye
Bye baby bye
Bye bye, baby, bye bye

Bye baby bye
Bye bye, baby, bye bye
Bye baby bye
Bye baby bye
Bye baby bye
