Circle sky

Telling lies,

Here I stand

At demand.

'Cause it looks like we've made it once again,

Yes, it looks like we've made it once again.

Color sound

Is all around,

Wing tip smile

Sees for miles.

And it looks like we've made it once again,

Yes, it looks like we've made it once again.

It's a very extraordinary scene

To those who don't understand,

But, what you have seen you must believe,

If you can, if you can.

Hamilton

Smiling down,

Telling more

Than before.

'Cause it looks like we've made it once again,

Yes, it looks like we've made it to the end.
