You could make it all so easy. (Aaah)
Girl you know just how to please me. (Aaah)
Don't you do it if you think you got to. (Aaah)
Don't you do it cause you think you ought to. (Aaah)

Ooh, do it in the name of love.
If you really want me that's reason enough.
Do it in the name of love. (do it in the name)
Do it in the name of love.

Baby, ain't it good to go together? (Aaah)
I swear it feels just like forever. (Aaah)
Hmmm don't be scared and don't you worry, no (Aaah)
It's all right, there's no hurry.(Aaah) Oh no.

Ooh, do it in the name of love.
If you really want me that's reason enough.
Do it in the name of love. (do it in the name)
Do it in the name of love.

Do it in the name of love.
If you really want me that's reason enough.
Do it in the name of love. (do it in the name)
Do it in the name of love.

Do it in the name of love.
If you really want me that's reason enough.
Do it in the name of love. (do it in the name)
Do it in the name of love.
