I used to see you on the avenue  
You were the girl that let me follow you  
You used to hang out in the alleyway  
You sewed a button on my shirt one day

I asked around until I found your name  
Then underneath the arches in the pouring rain  
I said, "You  
(Yeah, you)  
I want you

I know that things are gettin' better  
I know it's gonna be okay  
So baby don't go, I ain't gonna let ya  
I wanna be with you every step of the way

I'll be with you every step of the way

I want you  
Every step of the way

I know that things are gettin' better  
I know things will be okay  
So baby don't go, I ain't gonna let ya  
I wanna be with you every step of the way  
Yeah, every step of the way

I know, things are gettin' better  
I know things will be okay  
So baby don't go, I ain't gonna let ya  
I wanna be with you every step of the way  
Every step of the way

Every step of the way  
(Every step of the way)  
Every step of the way  
(Every step of the way)  
Every step of the way  
(Every step of the way)
