I've been standing on the corner all day,
Trying to think of little things to say,
'Cause she walks by every day about this time,
And I can't, I can't get her off of my mind.
I only met her about a week ago,
But, the way she smiled let me know
She could see that maybe we were two-of-a-kind,
And I can't, I can't get her off of my mind.
She's so pretty,
I couldn't believe she'd ever look-a my way,
Ah, but the way I'm feeling,
I'm gonna be stealing that little girl's heart today.
I'm so happy I could almost fly,
And I guess you know the reason why,
I'm walking down the street with her little hand in mine,

And I don't think I'll ever get her off of my mind.
