Life is hard for me to touch now,  
I just don't enjoy it as much now,  
When she left, something inside of me died,  
And I won't be the same without her,  
No, I won't be the same without her by my side.  
There's no end to my sorrow,  
I'm afraid to face tomorrow,  
When she left, she took much more than my pride,  
And I won't be the same without her,  
No, I won't be the same without her by my side.

It isn't easy to forget her and the way it used to be,  
She changed my life the day I met her,  
And I won't be the same without her,  
No, I won't be the same without her close to me.  
Life is hard for me to touch now,  
I just don't enjoy it as much now,  
When she left, something inside of me died,  
And I won't be the same without her,  
No, I won't be the same without her by my side.
