I'll be true to you, yes I will,
I'll be true to you, yes I will,
I won't look twice when the other girls go by,
I'll be true to you, yes I will.
Somehow, this time it's all so clear to me,
The way to go is easy to see,
My heart is sure you're the girl I've waited for,
And I'll be true to you, yes I will,
Yes, I will.
I used to be the kind who said that every girl's the
same,
And love was just a game for having fun,

But when I looked at you I knew that I was wrong
And that I really could belong to only one.
I'll be true to you, yes I will,
Every dream that you have, I'll fulfill,
I never promised this to anyone before,
But, I'll be true to you, yes I will.
I'll be true to you, yes I will,
Every dream that you have, I'll fulfill,
I never promised this to anyone before,
But, I'll be true to you, yes I will,
Yes, I will,
Yes, I will.
