"Lady Jane"

She's my lady
She's my girl
She's my woman
She is my world

She's what I want
She's what I need
She's what I got, lord
She's just my speed

She's my daytime
She's my night
All through the darkness
She is my light

She is a dream, she is
And everything real
She is my heartbeat
She's how I feel

She's a song
Without an end
She's my lover
And my best friend

Oh, deep in the night, all right, all right
I whisper her name
I say lady, lady
Lady Jane

Lady Jane, Lady Jane, Lady Jay-a-ane, Lady Jay-a-a-ane,
Lady Jane...
