Do I have to do this all over again?
Didn't I do it right the first time?
Do I have to do this all over again?
Oh, how many times do I have to make this climb?
Didn't I? Didn't I?

Can I see my way to know what's really real
They say time can fix things by itself
I know life's more than just some kind of deal
Yeah, but won't you tell me [Incomprehensible] all
When my soul comes off the shelf
Didn't I? Didn't I?

Do I have to do this all over again?
Didn't I do it right the first time?
Do I have to do this all over again?
Oh, how many times do I have to make this climb?
Didn't I? Didn't I? Didn't I?
