(N. Diamond)

Look out here comes tomorrow

That's when I have to choose

How I wish I could borrow

Someone else's shoes

Mary (Mary oh) oh what a sweet girl

Lips like (berry pie) strawberry pie

Sondra (Sondra oh) long hair and big curl

Can't make up my mind

CHORUS

Well I see all kinds of sorrow

Wish I only loved one

Look out here comes tomorrow

Oh how I wish tomorrow would never come

Told them (told them oh) both that I loved them

Said it (yes I did) and it was true

But I (but I can't) can't have both of them

Don't know what to do

CHORUS

I see all kinds of sorrow

Wish I only loved one

Look out here comes tomorrow

Oh how I wish tomorrow would never come

Mary I love you

Sondra I love you

CHORUS

Well I see all kinds of sorrow

Wish I only loved one

Look out here comes tomorrow

Oh how I wish tomorrow would never come oh

I love you
