Looking for the good times, baby,

Gonna have my fun,

Looking for the good times, baby,

Girl you can come along with me,

Whoa, you're gonna see

Just how fine this big, old world can be.

Looking for the good times, baby,

Gonna have a ball,

Looking for the good times, baby,

Girl, you can share it all.

There's more to life than you've been living, girl,

(You can share it all)

There's things to do that you ain't thought of yet,

(You can share it all)

So let me be the one to do the giving, girl,

(You can share it all)

You'll find the things you thought you couldn't get.

Looking for the good times, baby,

Gonna have my fun,

Looking for the good times, baby,

Girl you can come along with me,

With me.

Looking for the good times, baby,

Gonna have a ball,

Looking for the good times, baby,

Girl, you can share it all.

(You can share it all)

(You can share it all)
