Oh I've got a little car and she might go far
She's the mistress of my heart now
She's a '65 with an overdrive

And I fixed her in every part now
Two in the front and two in the back
110 in the old Hog's back

My MGB-GT, she's a runner now
MGB-GT
Oh my MGB-GT, she's a runner now

Oh I welded the sills and the old floor pan
Cut the rust with the torch and the hacksaw
Took the Restyles off, put on the spoked wheels on

Got a brand new Salisbury axle
When I come to town the girls all smile
They say, "Here's the man with the retro style"

My MGB-GT, she's a runner now
MGB-GT
Oh my MGB-GT, she's a runner now

Lockheed discs and twin SU's
Original chrome on the grille now
She looks like a dream in her racing green

Competition's standing still now
I sprayed up her body, I strengthened the frame
I stripped her right down and I built her up again

Now an Alpine's fine if you've got the time
And a Healely'll set you back some
And a TR4 costs a little bit more

But if you don't have the same attraction
Hard top handy in case of the weather
I don't care if it rains forever

In my MGB-GT, she's a runner now

MGB-GT

In my MGB-GT, she's a runner now

MGB-GT

In my MGB-GT, she's a runner now
