Monkees For Pete's sake

Love is undertsanding
but you know that this is true
Love is understanding
it's in everything we do

Endless generation (endless generation)
Endless loving time (endless loving time)
Endless generation
We will make the world shine

We were born to love one another
This is something we all need
We were born to love one another
We must be what we're going to be
and all we have to be is free

Endless genertaion (endless generation)
An Endless loving time(endless loving time)
Endless generation
We will make the world shine

We were born to love one another
This is something we all need
We were born to love one another
We must be what we're going to be
and all we have to be is free

Love is understanding (Endless generation)
we gotta be free
Love is understanding (Endless generation)
we gotta be free
Endless generation(endless generation)
Love is understanding (Endless generation)
we gotta be free
We gotta be free
We gotta be free(Endless generation) (FADE)
