Hobber, reeber, sabosoben, hobber, seeber, sneck,
Seeber, rabber, hobbersoben, what did you expect?

No time, (No time, no time at all)

No time for you. (No time, no time at all)

I got no time, baby,

Got lots of better things to do. (No time, no time at all)

Running from the rising heat to find a place to hide,

The grass is always greener growing on the other side.

No time, (No time, no time at all)

Ah, no time for you. (No time, no time at all)

I got no time, baby,

Got lots of better things to do (No time, no time at all)

Rock on, George for Ringo, one time...

SOLO

Ahhh...there's just NO time...

No time, (No time, no time at all)

No time for you. (No time, no time at all)

I got no time, baby,

Got lots of better things to do (No time, no time at all)

SOLO

No time, (No time, no time at all)

No time for you. (No time, no time at all)

I got no time, baby,

Got lots of better things to do (No time, no time at all)

Try to tell the world, somehow, of how I feel

Tell me what you said again, I can't believe it's real

No time, (No time, no time at all)

I got no time for you. (No time, no time at all)

I got no time, baby,

Got lots of better things to do (No time, no time at all)

Andy, you're a dandy, you don't seem to make no
sense;

Nevermind the furthermore, the plea is self defense

No time, (No time, no time at all)

Got no time for you. (No time, no time at all)

I got no time, baby,

Got lots of better things to do (No time, no time at all)

Oh, I got no time! (No time, no time at all)

I got no time! No time for you, I got no time!

(fade out)
