by Jeff Barry & Andy Kim

Oh, my, my, I could love you forever,
Oh, my, my, I only wish that I could,
Oh, my, my, I could love you forever,
Oh, my, my, girl, you feel so good.
You, you make my heart sing,
You make my life worthwhile,
Life is such, there's so much to discover,
To uncover it is gonna take a while.
Oh, my, my, I could love you forever,
Oh, my, my, I only wish that I could,
Oh, my, my, I could love you forever,
Oh, my, my, girl, you feel so good.
I think of us together,
It takes my breath away,
Up to the sky, I go flying,
Oh, my, my, is all I can say, hey.
SOLO
Oh, my, my,
Oh, my, my, my, my,

Oh, my, my, my, my, my, my,
Oh, my, oh, my, oh, my, oh, my, oh, my, my, my, my,
my.
You, you make my heart sing,
You make my life worthwhile,
Life is such, there's so much to discover,
To uncover it, it's gonna take a while.
Oh, my, my, I could love you forever,
Oh, my, my, I only wish that I could,
Oh, my, my, I could love you forever,
Oh, my.
Oh, my, my, I could love you forever,
Oh, my, my, my, I only wish that I could,
Oh, my, my, my, I could love you forever,
Oh, girl, you feel so good.
Oh, my, my, I could love you forever,
Oh, my, my, I only wish that I could.
