No heartaches felt, no longer lonely,  
Nights of waiting finally won me  
Happiness that's all rolled up in you.  
And now, with you as inspiration,  
I look toward a destination  
Sunny bright that once before was blue.  
I have no more than I did before,  
But now I've got all that I need,  
For I love you and I know you love me.  
So take my hand, I'll start my journey  
Free from all the helpless worry  
That besets a man when he's alone.

For strength is mine when we're together,  
And with you I know I'll never  
Have to pass the high road for the low.  
I have no more than I did before,  
But now I've got all that I need,  
For I love you and I know you love me.  
(Play, magic fingers!)

SOLO  
(Yee-ha!)  
(Oh, pick it, Wilson!)  
I have no more than I did before,  
But now I've got all that I need,  
For I love you and I know you love me.  
Yes, I love you and I know you love me.
