There were tears in her eyes when she gave me the  
news last night,  
I tried to disguise all the hurt that I felt inside,  
She said she'd always like to be my friend,  
What could I say, this was the end.  
She's moving in with Rico,  
Everybody's hero,  
She's moving in with Rico,  
And she don't need me no more.  
We stood by the door and she put her hand in mine,  
Could have fell through the floor when we said our last  
goodbye,  
I just stood and watched her walk away,  
The love of my life is leaving today.  
She's moving in with Rico,  
Everybody's hero,  
She's moving in with Rico,  
And she don't love me no more.  
Suddenly she was gone,  
How sad it feels to be alone,  
Now there's a stranger in my shoes,  
Some you win, and some you lose.  
Na, na-na, na, na-na, na, na-na, na-na-na,  
Na, na-na, na, na-na, na, na-na, na-na-na,  
She said she'd always like to be my friend,  
What could I say, is this the end?  
She's moving in with Rico,  
Everybody's hero,  
She's moving in with Rico,  
And she don't need me no more.  
She's moving in with Rico,  
Everybody's hero,  
She's moving in with Rico,  
She's moving in with Rico.  
She's moving in with Rico,  
Everybody's hero,  
She's moving in with Rico,  
She's moving in with Rico.  
fade out...
