Daddy says "Come and sit on my knee"  
Daddy says "You're the only girl for me"  
'Cos Amelia, "You're Daddy's favourite girl"  
Amelia, "Daddy loves his little girl"  
Daddy comes in the dark of night  
Daddy say "Don't be scared, it'll be alright"  
Amelia, "Daddy hates to see you cry"  
Amelia, "You're the apple of Daddy's eye"  
Daddy says "Dry your tears and give me a smile"  
Daddy says "If you're good I'll hold you awhile"  
'Cos Amelia, "You're daddy's precious girl"  
Amelia, "Daddy loves to love his little girl"  
"Daddy, tell me Daddy,  
Is this really love?"  
Daddy says "Don't tell Mama what I do to you"  
Daddy says "If you do I'll beat you black and blue"  
'Cos Amelia, "You make Daddy feel like a man"  
Amelia, "Daddy loves you more than Mummy can"  
"Daddy, tell me, Daddy,  
How can you call this love?"  
Amelia  
Damn your Daddy to hell
