Some people always complain that their life is too short
so they hurry it

Along

Their worries drive them insane but they still go along
for the ride

As for me

I have all the time in the world

I was born

A someday man

I'm a maybe child

I was born

A someday man

I was always wild

Tomorrow's a new day, baby

Anything can happen

Anything can happen at all

Some folks are working for reasons and waiting for
answers they're never

Gonna find

They keep on searching for pleasures and looking for
what they can't see

But for me

Life can be a sweet holiday

I was born

A someday man

I'm a maybe child

I was born

A someday man

I was always wild

Tomorrow's a new day, baby

Anything can happen

Anything can happen at all

REPEAT AND FADE

I was born

A someday man

I'm a maybe child

I was born
A someday man
I was always wild
