Take a letter, keep on going
Where ever it is, she's goin', too
Give her my autograph and tell her
It's been nice knowin' you

She's a star collector
(Collector of stars)
She only seems to please young celebrities
Yes she's a star collector
(Collector of stars)
How can I love her, when I just don't respect her?

When everything is goin' my way
She wants to be close at hand
She moves to some other doorway
When things don't go the way she planned

Yes she's a star collector
(Collector of stars)
She only seems to please young celebrities
Yes she's a star collector
(Collector of stars)
It won't take much time before I get her off my mind

Yes she's a star collector
(Collector of stars)
She only seems to please young celebrities
Yes she's a star collector
(Collector of stars)
It won't take much time before I get her off my mind
