Oh, tell me, love and tell me truly,
Do you believe this is forever?
Well, I'll tell you, love, that I believe you,
Oh, when you tell me that you will leave me never.
Oh, tell me, love, are my words a waste?
Tell me, love, are my lips to your taste?
'Cause I want to please you, I want to please you.
And tell me, love, do you know you amaze me?
You keep changing for the better with every passing
day,
Well, I'll tell you, love, sometimes it kind of scares me,
I've got to keep on getting to you so you don't get
away.
Oh, tell me, love, are my words a waste?
And tell me, love, are my lips to your taste?
'Cause I want to please you, I want to please you.
So, tell me, love,
Please, tell me, love,
Tell me, love.

Do You Feel It Too?

by Jeff Barry & Andy Kim

I'm like a toy balloon and someone cruel has cut the
string,
I'm drifting out of sight, my head's too light to find a
thing,
Oh, baby, life is like a cartoon movie,
Being with you makes it groovy,
Everything you do is new to me.
And do you feel it, too?
Do you find an added joy in every little thing you do?

Whoa, do you feel it, too?

Do you find the only thing that matters now is me and
you?

I can't believe my ears, you know I hear such crazy
sounds,
Each time I talk to you and walk with you I'm off the
ground,
Oh, baby, love is great, you just can't top it,
Got the ball, we mustn't drop it,

Girl, there ain't a thing can stop it now.
And do you feel it, too?
Do you find an added joy in every little thing you do?
Whoa, do you feel it, too?
Do you find the only thing that matters now is me and
you?
Tell me, baby.

Do you find an added joy in every little thing you do?
Whoa, do you feel it, too?
Do you find the only thing that matters now is me and

Tell me, darling.
Hey, do you feel it, too?
Do you find an added joy in every little thing you do?
Whoa, do you feel it, too?
Do you find the only thing that matters now is me and
you?
Tell me, baby.
