Here we come, walkin' down the street  
We get the funniest looks from every one we meet

Hey, hey, we're the Monkees and people say we  
monkey around  
But we're too busy singing to put anybody down

We go wherever we want to, do what we like to do  
We don't have time to get restless, there's always  
something new

Hey, hey, we're the Monkees and people say we  
monkey around  
But we're too busy singing to put anybody down

We're just tryin' to be friendly, come and watch us sing  
and play  
We're the young generation, and we've got something  
to say

Any time, or anywhere, just look over your shoulder  
Guess who'll be standing there

Hey, hey, we're the Monkees and people say we  
monkey around  
But we're too busy singing to put anybody down

Hey, hey, we're the Monkees and people say we  
monkey around  
But we're too busy singing to put anybody down

We're just tryin' to be friendly, come and watch us sing  
and play  
We're the young generation, and we've got something  
to say

Hey, hey, we're the Monkees  
Hey, hey, we're the Monkees
