I guess I should have stayed in bed
My pillow wrapped around my head
Instead of wakin' up to find
A nightmare of a different kind
She went away
This just doesn't seem to be my day

She didn't have to say a lot
Her pretty eyes revealed the plot
It was someone else she wanted more
And so I walked her to the door
What could I say?
This just doesn't seem to be my day

My, oh my
(Oh my, oh my, oh my)
How sad am I?
(How sad am I?)
How I wish she would have stayed
(Wish she would have stayed)
This just doesn't seem to be my day

My whole world is upside down
She turned my smile into a frown
It's such a pity the shape I'm in
I must get on my feet again
Can't stay this way
This just doesn't seem to be my day

My, oh my
(Oh my, oh my, oh my)
How sad am I?
(How sad am I?)
How I wish she would have stayed
(Wish she would have stayed)
This just doesn't seem to be my day

I guess I should have stayed in bed
My pillow wrapped around my head
Instead of wakin' up to find
A nightmare of a different kind
She went away

This just doesn't seem to be my day
