I'm gonna pack up all the pain  
I'm gonna keep it in my heart  
I'm gonna catch me the fastest train  
I'm gonna make me a brand new start  
Well, that's okay  
Tomorrow's gonna be another day  
Hey, hey, hey, hey  
And I don't care what'cha say  
Tomorrow's gonna be, tomorrow's gonna be,  
Tomorrow's gonna be another day  
Hey, hey, hey, hey!

Now, tell me there's a lot of fish  
Swimmin' in the deep blue sea  
I'm gonna catch me a pretty one  
And she'll be good to me  
Well, that's okay  
Tomorrow's gonna be another day  
Hey, hey, hey, hey  
And I don't care what'cha say  
Tomorrow's gonna be, tomorrow's gonna be,  
Tomorrow's gonna be another day  
Hey, hey, hey, hey!

Well, I ain't gonna think about'cha  
Because it ain't no use no more  
I'm gonna make it fine without'cha  
Just like I did before  
I'm on my way  
Tomorrow's gonna be another day  
Hey, hey, hey, hey  
And I don't care what'cha say  
Tomorrow's gonna be, tomorrow's gonna be,  
Tomorrow's gonna be another day  
Hey, hey, hey, hey!  
Hey, hey, hey, hey
