Valleri. I love her Valleri.

There's a girl I know who makes me feel so good.
And I wouldn't live without her, even if I could.
They call her Valleri.
I love her Valleri.

[Instrumental]

She's the same little girl who used to hang around my
door.
But she sure looks different than the way she looked
before.
I call her Valleri.
I love her Valleri.

[Instrumental]

Valleri. I love her Valleri.
I love my Valleri.
I need ya, Valleri.
