You're so good to me
I'm hooked on the things you do
You're so good to me
Tell me what can I do for you

Can I take you for a walk
Little mama now, can I?
Can I take you for a talk
Little mama now, can I?

Or can I give you love, love, love
All of my love, love, love
I'll give you love, love, love
Don't you be haunting
So I know I'm awake, hey

You're so good to me
I'm hooked on the things you do
You're so good to me
Tell me what can I do for you

Can I kiss you so you kiss
Little mama now, can I?
Check [Incomprehensible] what is on your list
Little mama now, can I?

And can I give you love, love, love
All of my love, love, love
I said, "Love, love, love"
I tell you what
She gets all that I got, hey

You're so good to me
I'm hooked on the things you do
You're so good to me
Tell me what can I do for you

Let me give you love, love, love
Love, love, love
All of my love, love, love
Holy smoke, oh darling

You're so good to me
You got me hooked on the things you do
You're so good to me
Tell me what can I do for you

You're so good to me
You got me hooked on the things you do
You're so good to me
Tell me what can I do for you

You're so good to me
Tell me what can I do for you
