Like a star, slipping out of place  
Sliding from the sky, tumbling through space  
When you touch my hand  
I swear I feel like I'm falling  
(Falling, falling, falling)  
Seems like I'm falling  
(Falling, falling, falling)

Like a wheel whirling, round and round  
Rolling down a hill  
(Rolling down a hill)  
Spinning on the ground  
Your kisses make my dizzy  
In the head and I'm falling  
(Falling, falling, falling)  
Falling  
(Falling, falling, falling)

Uh oh girl  
I think that I have fell for you  
Uh oh girl  
I think that I have fell for you

I was a bird soaring, through the air  
Flying fancy free, without a care  
Until you clipped my wings  
Now look at me oh, I'm falling  
(Falling, falling, falling)  
Yeah, falling  
(Falling, falling, falling)

Oh here I go, down and down I go  
I can't help myself girl you thrill me so  
Yeah you blew my mind  
And I know that I'm falling  
(Falling, falling, falling)  
Yes, I'm falling  
(Falling, falling, falling)

Uh oh girl  
I think that I have fell for you  
Uh oh girl

I think that I have fell for you

Oh, down, down, down I go  
(Falling)

Oh, down, down, down I go  
(Falling)

Oh, down, down, down I go  
(Falling)

Yeah, yeah, yeah

Uh oh girl

I think that I have fell for you  
(Seems like, seems like)

Uh oh girl

I think that I have fell for you

Uh oh girl

I think that I have fell for you
