Way back when in 67  
I was the dandy  
Of Gamma Chi  
Sweet things from Boston  
So young and willing  
Moved down to Scarsdale  
And where the hell am I

Hey Nineteen  
No we can't dance together  
No we can't talk at all  
Please take me along  
When you slide on down

Hey Nineteen  
That's 'Retha Franklin  
She don't remember the Queen of Soul  
It's hard times befallen  
The sole survivors  
She thinks I'm crazy  
But I'm just growing old

Hey Nineteen  
No we got nothing in common  
No we can't talk at all  
Please take me along  
When you slide on down

The Cuervo Gold  
The fine Columbian  
Make tonight a wonderful thing  
We can't dance together  
No we can't talk at all
