We hear you're leaving
that's o. k.
I thought our little wild time had just begun
I guess you kind of scared yourself
You turn and run
But if you have a change of heart

Rikki
don't lose that number
You don't wanna call nobody else
Send it off in a letter to yourself
Rikki
don't lose that number
It's the only one you own
You might use it feel better
when you get home

I have a friend in town
he's heard your name
We can go out driving on slow hand row
We could stay inside and play games
I don't know
And you could have a change of heart

Refrain

You tell yourself you're not my kind
But you don't even know your mind
And you could have a change of heart

Rikki
don't lose that number
Rikki
don't lose that number
