Our town is just like any other  
Good citizens at work and play  
Normal folks doin' buisness in the normal way  
This morning was like any other day  
Mommies kissing daddies goodbye  
Then the milkman screamed  
And pointed up at the sky

Chorus:

From Sheilus to the reefs of Kizmar  
From Stargate and the Outer Worlds  
They're speeding towards our sun  
They're on a party run  
Here come Tomorrow's Girls

Tomorrow's Girls

You see them on the grass at lunch hour  
Soaking up the vertical rays

In their summer dresses  
A little smile can really make your day  
Their kisses feel like real kisses  
And when they cry they cry real tears  
But what's left in your arms  
When the static clears

Chorus:

They're landing on the Jersey beaches  
Their engines make the white sand swirl  
The heat is so intense  
Earthmen have no defence  
Against Tomorrow's Girls

In the cool of the evening  
In the last light of the triple sun  
I wait by the go-tree  
When the day's busy work is done  
Soon the warm night breezes  
Start rolling in off the sea

Yes  
at lantern time

That's when you come to me  
Come to me

Our home is just like any other  
We're grillin' burgers on the back lawn  
Some times goes by  
We fall asleep with the tv on  
I dream about a laughing angel  
Then the laugh becomes a furious whine  
Look out fellas  
It's shredding time

Chorus:  
They're mixing with the population  
A virus wearing pumps and pearls  
Lord help the lonely guys  
Hooked by those hungry eyes  
Here come Tomorrow's Girls  
Tommorow's Girls
