Some a ya'll gon' love me
Some a ya'll gon' hate me but
None a ya'll can touch me so
None a ya'll can phase me
Cause I'm in outta space bitch (cause I'm in outta space)
I'm in outta space bitch (cause I'm in outta space)

Some a ya'll gon' miss me and
Some a ya'll gon' diss me
Some a ya'll gon' talk shit (fa sho') and
Some a ya'll won't say shit
Cause I'm in outta space bitch (cause I'm in outta space)
I'm in outta space bitch (cause I'm in outtaspace)
Im a keep it real wit' ya you can keep the steel wit' ya
Im a real ni**a so I don't need steel wit' me
I done been thru hell so you might as well pull them triggas
I done been thru hell I guess I owe heaven a visit
I done lost my momma she ain't dead she still here
I got a baby boy he ain't wit' me but he still here
When I go and see him I see Keezy in him blood
He know I know he aight cause he got keezy in his blood
I tell him dont blame me blame, your stupid ass momma
Why she had to put her paws in my life like a comma
So I bought a spaceship and it look just like a hummer
You know I know I need help, bet I ain't lookin' for Rhonda
Lookin' for my keys I just seen 'em in the kitchen
Did you find 'em I guess not man shit is lookin shitty
I ain't 'posed to be on earth, I just came here for a visit
But I'm leavin I regret it so I crunk up my ex???? and go

Some a ya'll gon' love me
Some a ya'll gon' hate me but
None a ya'll can touch me so
None a ya'll can phase me
Cause I'm in outta space bitch (cause I'm in outta space)
I'm in outta space bitch (cause I'm in outta space)

Some a ya'll gon' miss me and
Some a ya'll gon' diss me
Some a ya'll gon' talk shit (fa sho') and
Some a ya'll won't say shit
Cause I'm in outta space bitch (cause I'm in outta space)
I'm in outta space bitch (cause I'm in outtaspace)
A lot a ni**as dissin' I don't care cause they cant handle me
A lot a ni**as want me I don't care cause they cant manage me
I feel like they ain't got the will I got
I know I need money but hell they ain't got the will I got
They think cause they got money I'm a sign on the dotted line
But they got me twisted like my signatures on dotted lines fuck that shit
Baby momma did me wrong so I feel like fuck that bitch
I used to feel like suicide until I found another bitch
I'm lovin' it I live for my son and my daughter bitch
I look like I don't give a fuck when you see me in public
I used to be drug free and pastor used to love me
Now a ni**a smokin' weed and first lady wont hug me
Bitches wanna hug me yet ni**as wanna slug me
Well go ahead and slug me pussy, ni**a I love sleep
Take me from my son if you think that he won't get ya back
Get you on some bullshit I bet that he gonna get your ass (he better)
Some a ya'll gon' love me
Some a ya'll gon' hate me but
None a ya'll can touch me so
None a ya'll can phase me
Cause I'm in outta space bitch (cause I'm in outta space)
I'm in outta space bitch (cause I'm in outta space)

Some a ya'll gon' miss me and
Some a ya'll gon' diss me
Some a ya'll gon' talk shit (fa sho') and
Some a ya'll won't say shit
Cause I'm in outta space bitch (cause I'm in outta

space)
I'm in outta space bitch (cause I'm in outtaspace)
Third verse is like the last call for alcohol
If a doser did me wrong I'm comin' after ya'll
Now I'm in the mirror like fuck you
And I look like I mean it, ni**a fuck you
Greet 'em like what's happenin' then its fuck ya'll
I ain't never scared, I dont give a fuck dog
You can kill me if you want, I'm ready for death
Or you can dis me if you want like I said its whatever
I'm the best and I swear that you can't take it from me
I'm my favorite rapper, yup, I'm my favorite donkey
Since I'm my favorite producer I make my favorite
beats
Animosity kickin' in like baby teeth
Just look at who you hate and tell that ni**a kit rost
Just look him in the face and tell that ni**a get lost
Back to outta space (what) I'm a see you soon (ok)
Catch ya next time I'm about to land on the moon
Some a ya'll gon' love me
Some a ya'll gon' hate me but
None a ya'll can touch me so
None a ya'll can phase me
Cause I'm in outta space bitch (cause I'm in outta
space)
I'm in outta space bitch (cause I'm in outta space)

Some a ya'll gon' miss me and
Some a ya'll gon' diss me
Some a ya'll gon' talk shit (fa sho') and
Some a ya'll won't say shit
Cause I'm in outta space bitch (cause I'm in outta
space)
I'm in outta space bitch (cause I'm in outta space)
