Just a loud mouth Yankee I went down to Mexico
I didn't have much time to spend, about a week or so
There I lightly took advantage of a girl who loved me so
But I found myself a-thinkin' when the time had come
to go

What am I doin' hangin' 'round?
I should be on that train and gone
I should be ridin' on that train to San Antone
What am I doin' hangin' 'round?

She took me to the garden just for a little walk
I didn't know much Spanish and there was no time for
talk
Then she told me that she loved me not with words but
with a kiss
And like a fool I kept on thinkin' of a train I could not
miss

What am I doin' hangin' 'round?
I should be on that train and gone
I should be ridin' on that train to San Antone
What am I doin' hangin' 'round?

Well, it's been a year or so, and I want to go back again
And if I get the money, well, I'll ride the same old train
But I guess your chances come but once and boy I sure
missed mine
And still I can't stop thinkin' when I hear some whistle
cryin'

What am I doin' hangin' 'round?
I should be on that train and gone
I should be ridin' on that train to San Antone
What am I doin' hangin' 'round?

What am I doin' hangin' 'round?
I should be on that train and gone
I should be ridin' on that train to San Antone
What am I doin' hangin' 'round?

What am I doin' hangin' 'round?

I should be on that train and gone
I should be ridin' on that train to San Antone
What am I doin' hangin' 'round?
