Yeah  
Yeah  
Yeah!  
Bring it on now  
Uhh  
Uhh  
Check it out  
This is a dedication, to all the rap fans  
All the b-boys and b-girls  
All the hip-hop heads  
Rap music, this is your music, protect your music  
Call the radio stations, bumrush the stores  
Buy the records from the stores and not the  
bootleggers  
Communicate with us rappers  
Let us know what's on your minds  
Write us, we wanna know  
Cause this is your music, rap music, protect your music  
Call the radio stations, bumrush the stores  
Buy the records from the stores and not the  
bootleggers  
Know that it's because of you that every R&B singer  
sings to a hip-hop beat  
And every pop singer wants a hip-hop remix  
But this is your music! Rap music, protect your music  
Call the radio stations, bumrush the stores  
Buy the records from the stores and not the  
bootleggers  
And let us know what's on your mind  
Cause without you, there would be no us  
There would be no us
