Never been a fan of promises  
broken dreams and all these tears  
I'd rather have you hurt me with the solemn truth  
I've been a dreamer all my life, now those dreams cut  
like a knife  
because you killed me with a plethora of lies

Can't stand the smell of your cologne  
can't be around anyone with it on  
don't even like my favorite song  
cuz you would sing it to me on the phone  
Went to our favorite spot on the beach  
and through that diamond ring in the sea  
cuz it don't mean a thing to me  
and I can't believe it

You got me out here lovin a lie, it's so deep you keep  
makin me cry  
I'm wonderin why I gave you my life, when you don't  
even care about me  
and now I'm out here lovin a lie, and I don't even know  
who you are  
I gave you my love in exchange for these scars  
and to think our love was a lie, when you say that you  
love me  
a lie, when you say that you need me  
a lie, when you hold when you squeeze me  
I've been lovin a lie, when you say that you love me  
a lie, when you say that you need me  
a lie, when you hold when you squeeze me

let you in my family, now they're silly enough to believe  
that the problem wasn't you this whole time it was me  
I heard them say you only live once, but you robbed me  
of my chance to be young  
cuz now I'm afraid to love

don't wanna keep our mutual friends cuz I'm sick of  
tryna pretend  
that you're really good to me when, you're just the  
opposite  
don't wanna hear the messages, I erase em before I

listen

I'll never play the fool again, I can't believe that you

You got me out here lovin a lie, it's so deep you keep  
makin me cry

I'm wonderin why I gave you my life, when you don't  
even care about me

and now I'm out here lovin a lie, and I don't even know  
who you are

I gave you my love in exchange for these scars

Would you lie, or tell the truth, I can't expect you never  
do

coming in after 2...I can smell the scent of her perfume  
to my face, on the phone, is it the truth, I never know  
think you slick, but it shows, you got me out here loving  
a lie

It's been so hard for me to see that loving you ain't  
loving me

It's a lie, it's a lie, it's a lie

I gave you my love

You got me out here lovin a lie, it's so deep you keep  
makin me cry

I'm wonderin why I gave you my life, when you don't  
even care about me

and now I'm out here lovin a lie, and I don't even know  
who you are

I gave you my love in exchange for these scars
