Lyrics by Dale, Music by Robert Brookins

Film at eleven there's a war out in the street
Rolling lucky seven, something feels incomplete

Hands that divide time counting backwards in heat
All that's yours should be mine
Want both sides of the sun to meet

Swing low, sweet sin
Never know 'til I'm in
Riot in English (riot in English)
Riot in English (riot in English)

Somewhere over the cuckoo's nest
Skylark 17
Tiptoes through the tulips, do you know what I mean

Conquered by the best of mice
Lipstick and a phone call later
Domino paradise--all for the price
Will you be the one to save her

Swing low (swing low)
Sweet sin (sweet sin)
Never know, till I'm in
Riot in English (riot in English)
Riot in English
Riot in English (riot in English)
Riot in English

Swing low (swing low) sweet sin (sweet sin) never know
til I'm in
Swing low (swing low) sweet sin (sweet sin) never know
til I'm in

Lipstick and a phone call later
Riot in English, riot in English [repeat
