Lyrics by Dale, Music by Attala Zane Giles)

Like the invisible man, you just disappear
Just when I'm falling in love
Praying to the man above

I'm nobody's fool, but you're an exception to the rule
Let me be the one just once
Take me to your danger zone

Got caught up in what wasn't real
Not enough
A love you can't touch

I fell in love
(with a perfect stranger)
I fell in love
(a perfect stranger)

Tempting the hands of fate
Wishing once upon a moon
Looking for the perfect mate
To feed me on a silver spoon

My illusion of love
Took me on a carpet ride
Facade that fits like a glove
Now I'm lost in time

got caught up...
I fell in love...

Well, I keep trying to figure it out
Is this person really a space cadet
Oh, boy, I don't know
It's very confusing to me

I fell in love
(a perfect stranger)
I fell in love
(a perfect stranger)
I fell in love

(a perfect stranger)
I fell in love
(a perfect stranger)
I fell in love
