[Chorus: Daz Dillinger]

It feels good to be a motherfuckin' gangsta  
It feels good to be a Dogg Pound Gangsta  
It feels good to be a motherfuckin' gangsta  
(the D-O double-G, the P-O-U-N-D)  
It feels good to be a Dogg Pound Gangsta  
It feels good to be a motherfuckin' gangsta  
It feels good to be a Dogg Pound Gangsta  
(the D-O double-G, the P-O-U-N-D)

[Kurupt]

Hit me nigga, cut throat nigga  
We ride and quote niggaz, soak niggaz  
Royaly wrote, indica smoke niggaz  
Get lifted high like glass and coke nigga  
I'm Gotti, I don't fuck with no hooks  
I make pelicans fly, I make the AR-fif' cook  
This "The Shining" nigga, honey I'm home  
I came with two friends, nine and chrome  
Nigga it's just like this, I'll break your wrist  
Push shit through your hip that'll twist and dent  
Shift and split and then go back where I went  
Wanna know where I went, nigga follow the fifth  
The only two buddies I need, the hollow and fifth  
I'll have you swallow the hollow and live  
Fall quickly after the chip  
And all that's left is tremblin' and ligament restricted  
Nigga ride

[Chorus: Daz Dillinger]

It feels good to be a motherfuckin' gangsta  
It feels good to be a Dogg Pound Gangsta  
It feels good to be a motherfuckin' gangsta  
(the D-O double-G, the P-O-U-N-D)  
It feels good to be a Dogg Pound Gangsta  
It feels good to be a motherfuckin' gangsta  
It feels good to be a Dogg Pound Gangsta  
(the D-O double-G, the P-O-U-N-D)

[Daz Dillinger]

I come back with that AK fully automatic

Lettin' niggaz have it, so who the fuck want static?  
It's spazmatic, catchin' they breath, they could get  
paniced  
Surrounded by choppers and G niggaz with big  
cannons  
Peel them niggaz like bananas in an all blue bandana  
(Dumpin' with K's, goin' bananas with bananas and the  
hammers, then we - )  
Swoopin' down the block, rims spinnin' but my beat still  
knock  
Nigga Daz don't stop, my heat stay cocked and ready  
My vendetta's a nine baretta, puttin' blood holes in your  
sweater  
In due time I can only get better, see I won't fall off  
I bounce back like hard or soft  
Your whole crew get tossed, you lost a few, left  
critically injured  
Next time y'all fake niggaz will remember  
Uh, Dat Nigga Daz is a G 'bout this  
We fuck shit up and now we out this bitch

[Chorus: Daz Dillinger]

It feels good to be a motherfuckin' gangsta  
It feels good to be a Dogg Pound Gangsta  
It feels good to be a motherfuckin' gangsta  
(the D-O double-G, the P-O-U-N-D)  
It feels good to be a Dogg Pound Gangsta  
It feels good to be a motherfuckin' gangsta  
It feels good to be a Dogg Pound Gangsta  
(the D-O double-G, the P-O-U-N-D)

(the D-O double-G, the P-O-U-N-D)... \*scratched\*
