[Chorus - 2X]

When we ride, we creep  
Bang this shit in yo' Jeep  
Nigga when we slide, you'll see  
Can't do pimpin' like me

[Daz Dillinger]

When we ride, you'll know  
When you see a gangsta puffin' that 'dro  
That's when ya die, real slow  
When the shells drop from the fo'-fo'

We caught him slippin' at his mama house  
That's how it is motherfucker when the drama's out  
Retaliate and conversate with nothin' but guns  
To let you and your niggaz know that I ain't the one  
Gorilla black, I'll stack 'em and click 'em  
Click 'em and clack 'em  
Body tap 'em and wrap 'em, you niggaz ain't active  
Long Beach the city of Crip gangsta criminals  
When we cross path nigga this is what I do to you  
.22 (freeze!) hit you low, blow half your back out  
Stand over you bitch ass niggaz with my gat out  
Dumpin' them shells, y'all know where we dwell  
Eastside motherfucker (send 'em all to hell)

[Chorus - 2X]

When we ride, we creep  
Bang this shit in yo' Jeep  
Nigga when we slide, you'll see  
Can't do pimpin' like me

[Kurupt]

See I ride, I creep  
I'll put ya bitch ass to sleep  
Hit up the squad, nigga D.P.  
D.P.G.C. G's

What the fuck you wanna do nigga, get 'em up  
We gon' have to beat this nigga up  
and show him not to fuck with these D.P.G. amazons

and natives  
And set an example - trample, stomp and K 'em  
This is what it is, nothin' but D.P.G. fo' shiz  
I'm listenin' to this nigga talkin' all that there  
The nigga so loud I can't help but hear  
So I just walked on over and said  
"Shut the fuck up" and told this bitch to come here  
Cause this is how we do it in the D.P.G.  
Crack a bitch and keep it rollin'  
and keep it one hundred up in the streets  
See we ride

[Chorus - 2X]  
When we ride, we creep  
Bang this shit in yo' Jeep  
Nigga when we slide, you'll see  
Can't do pimpin' like me
