And the words of the song say everything  
when I switch on the radio

Because it brings back all the memories  
and it seems so long ago.

Oh  
but there's a rain outside on the window pane

Is it cold inside your heart?  
If I don't get back to you somehow  
I know it's gonna tear me apart.

Once again  
let's give it another try

Because I need you back in my arms and then  
Once again  
the love in my heart won't die  
Even if you say good-bye  
once again.

And I think I see you everywhere  
and sometimes I call your name.  
And I feel the hurt inside of me

I wonder do you feel the same?  
Oh  
but if we turn our backs on a broken heart  
And look each other in the eye

if our love has the strength to take us t  
We only have to keep it alive.

Once again  
let's give it another try

...

Oh  
but there's a rain outside on the window pane

...

Once again

let's give it another try

...

I said I need you

oh

I need your lovin'

yeah

Oh

back in your arms again.

Once again

let's give it another try
