Running out of reasons to try
The leaves of change have fallen down
With both of us wondering why
We're all alone but still it seems
We're thousands of miles apart
The sands of time have shifted now
And the end is beginning to start
And I don't know the answers
'Cause I don't know the questions
I'm just trying
'Cause I don't even know
(Chorus:)
Who's leaving who
Is it me (is it me)
Is it you (is it you)
Do you think we could change if we knew
Tell me who's leaving who
Is there anything left we can do
Can you tell me who's leaving who
Talk to me, is there a chance
Of working it out heart to heart
Can we go beyond our angry eyes
Before everything else falls apart
And I don't know the answers
'Cause I don't know the question
I'm just trying
'Cause I don't even know
Repeat Chorus
Tell me tell me
Tell me who's tell me who's
And I don't know the answers
'Cause I don't know the questions
I'm just trying
'Cause I don't even know
Repeat Chorus Twice
