Over you - once again
once again
once again
once again.
I fight the night to be alone has never frightened me

Behind the light the shadow of your memory.
Oh
who are you to turn the knife? - I am not your sacrifice.
Who are you when I can't get you out of my life?
Bet you didn't know that I would pack away my things
and go
And now it's true gonna get along inspite of you.
Don't want to hear your alibis
don't want your part time compromise.
Who are you when I can't get you out of my life?
Whatever I do
wherever I go
I'm never coming back to you.
Whatever you do
wherever you go
I'm gonna get over you.
Whatever I do
wherever I go

.. . .

I stand alone - another victim of your fantasy.
I face the world
uh
I'm searching for my destiny.
Oh
who are you to tie me down when you were not always
around?
Who are you when I can't get you out of my life?
Whatever I do
wherever I go
I'm never coming back to you. . . .
Over you - once again
once again
once again. . . .
Whatever I do
wherever I go

I'm never coming back to you. . . .
I stand alone - another victim of your fantasy. . . .
Whatever I do
wherever I go
I'm never coming back to you. . . .
Whatever I do
wherever I go
I'm never coming back to you. . . .
